

Power Supply
Hydraulic Power Unit

ScorPack 32 kW

New Naval

The Hydraulic Power Unit, ScorPack 32 kW is a medium weight hydraulic power pack intended to power equipment with demanding power requirements. The robust design of the power pack makes it ideal for operation in harsh environments. The power pack can be transported with forklift or crane. The system can easily operate a hydraulic-driven Scorpion Boom ScorReel or oil skimmer, such as the ScorLip 105/205 Weir Oil Recovery Skimmer.

TECHNICAL SPECIFICATIONS

Dimensions (LxWxH)	1800 mm x 835 mm x 1180 mm
Frame Material	Epoxy coated mild steel
Weight (Wet)	683 kg
Engine	Deutz, Kohler or similar
Power Output	32 kW
Hydraulic Flow Rate	40 lpm
Hydraulic Pressure	240 bar
Hydraulic Output	1/4" - 3/8" - 1/2" - 3/4" (Depending on application)
Engine Start	Electric
Fuel	Diesel

TECHNICAL DATA

ScorPack 32 kW is manufactured of epoxy coated mild steel, fitted with a 4-stroke, air-cooled or water/liquid-cooled, diesel-driven engine and is equipped with forklift slots and lifting eyelets for ease of transport. The power pack also comes with a complete hydraulic hose set. All hydraulic hoses are fitted with quick release couplings that include protective dust caps. Gauges include: hydraulic oil level, hydraulic temperature, operating hours counter and warning lights (depending on engine used). The system can be customized with an assortment of additional options specific to operational needs and customer desire (e.g. oil cooler).

KEY FEATURES:

- Provides 32 kW of hydraulic power
- Simplistic design
- Forklift slots & lifting eyelets
- Protective and robust frame
- Custom options available

ADDITIONAL OPTIONS:

- Chalwyn™ Valve
- Spark Arrestor
- Cover
- Multiple Outputs
- Control Panel

EQUIPMENT PAIRING:

- High-Capacity Skimmer
- Transfer Pump
- Vacuum System
- Boom Reel
- Air Blower
