ScorPack 7.5 kW

New Naval

The ScorPack 7.5 kW (Hydraulic) is a compact hydraulic power pack intended to power equipment with minimal power requirements. The robust design of the power pack makes it ideal for operation in harsh environments. The power pack is portable, allowing it to be transported over difficult terrains and operated in challenging locations. The system can easily operate a hydraulic-driven Scorpion Boom Storage Reel or oil skimmer, such as the ScorLip 105 Weir Oil Recovery Skimmer.
